## THE CLASSIC IN MARITIME CHIC

It is considered a classic among Austrian excursion ships and impresses with its balanced design – the DDSG ship MS Wachau. Since the complete renovation in winter 2017/18, the ship has been dressed in traditional maritime chic. Alongside the previously renovated ship MS Dürnstein, which was fully renovated in the authentic Wachau style in 2016, the second modern DDSG ship is now also available in the UNESCO World Cultural Heritage Region Wachau.
